you want
to be introduced
to smart tools, and
learn how to get
the best from them

3

you want
to become a better
presenter, and an
impactful story-teller.

4

you want
to understand how
your Board thinks,
and how
to influence them...

5

you want
to know how your
employees think,
and how to inspire
them...

6

you want to get
the best from yourself

7

because, ultimately,
you want to deliver
better results...

8

you want to make
a difference...

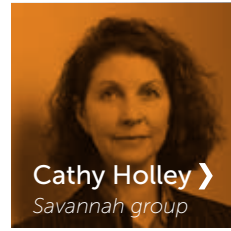

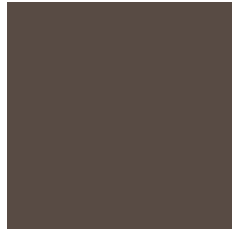

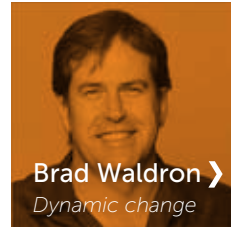

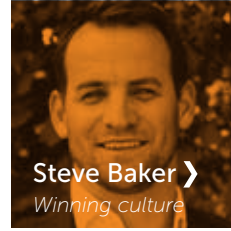

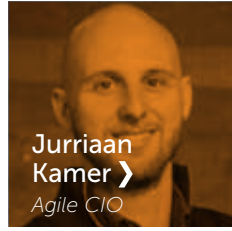

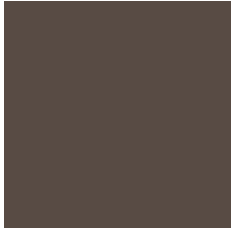

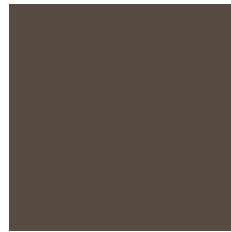

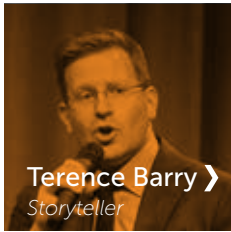

9

...and you
want to win!
